

Thanks for sending us an employment verification request...

You recently requested an employment verification for a current or former employee of ours.

Good news - we use **DriverReach VOE Plus** to process all verification requests. It's fast, easy and completely online so you get your verification report back quickly!

To check previous employment records for the employee, simply visit:

<http://voe.plus>

An account is NOT needed to search the records database. However, you need a DriverReach account to order employment reports. Creating an account is FREE. If you already have a DriverReach account, please use your existing email and password to log in.

Common questions:	
Do I need internet access to use VOE Plus?	Yes
Is it free to create an account?	Yes
Is there a nominal cost to obtain an employment record?	Yes
Is a signed drug and alcohol release form needed?	Yes
Can I use my own signed drug and alcohol release form?	Yes
When can I get the reports?	Immediately. Drug & alcohol information usually delivered same day after release form approval.
How will I get the reports?	Online. Instant download and email delivery

For other questions concerning DriverReach VOE Plus, please contact (800) 791-0461.

Want to get costly, time-consuming employment requests off your plate - at NO COST?

Are you drowning in emails, faxes and phone calls from prospective employers requesting past work history records? Let us handle it for you...and it won't cost you a dime.
